Subject: Recommendation

Landscapes West was recommended to me by a previous customer and DID NOT DISAPPOINT!! They are experienced professionals who listened to what I needed, made design suggestions and explained why, then executed, keeping me informed every step of the way on what I could expect next. The crew was courteous, kept us informed, left work areas clean and tidy at the end of every day, with no lunch debris etc left behind, and the work was completed on time with no surprises and at a competitive cost. I strongly recommend Steve George and his team at Landscapes West for any large or small landscape, hardscape or drainage work, and my wife and I will absolutely use them again, no question.=
