**Subject:** RE: a referral

Hello Stephen. Sure on the referral part. 😊

I've had Stephen and his team taking care of our landscaping for nearly 2 years I believe and I've been happy with the service. The rates are reasonable, the workers sent each time are good with customer relations, they've been responsive to any request we've made and they keep our landscaping looking great. They get 5 stars from us!

Warm Regards,

Paul Pate
