

# Pittosporum

## **crassifolium 'Nana'**

3 ft. x 3 ft.

Superb landscape shrub makes a great border. Maroon flowers in spring are slightly fragrant.

## **eugenioides**

20-40 ft. x 15-30 ft.

Known for its strong lemon scented foliage and fragrant yellow flowers in spring.

## **tenuifolium**

15-25 ft. x 10-15 ft.

Black-brown branches and deep green leaves are beautiful on this stunning and sturdy shrub.

## **ten. 'Cape Susan'**

6-8 ft. x 6-8 ft.

Slow growing with dense, compact habit. Center variegation pattern on new growth.

## **ten. 'Garnet'**

*NEW PLANT VARIETY*

6-10 ft. x 6-10 ft.

Purple-black twigs contrast nicely with green-grey foliage.

## **ten. 'Golf Ball'**

*P. P. # 15329*

3-4 ft. x 3-4 ft.

Tight, round habit makes this plant very popular.

## **ten. 'Harley Botanica'**

*NEW PLANT VARIETY*

15 ft. x 10-12 ft.

Easily pruned; colorful, fine-textured, shrub.

## **ten. 'Irene Patterson'**

6-10 ft. x 6-8 ft.

New growth is speckled with white that turns to green on mature leaves. Compact plant.

## **ten. 'Jessica's Golden'**

*NEW PLANT VARIETY*

5-10 ft. x 5-10 ft.

Compact, dense growth starts out light-green and ages to dark-green.

## **ten. 'Kirsti'**

*NEW PLANT VARIETY*

4-6 ft. x 4-6 ft.

Tight, dome shaped with a nice lush appearance.

## **ten. 'Marjorie Channon'**

8 ft. x 8 ft.

Small, half-inch, light-green leaves edged in white. Great plant for a formal garden.

## **ten. 'Silver Magic'**

15-20 ft. x 10-15 ft.

Usually pruned to a much lower height. Shiny, round, light-green leaves edged in white.

## **ten. 'Silver Nugget'**

*NEW PLANT VARIETY*

4 ft. x 3 ft.

Short and rounded form; produces silvery-green leaf clusters.

## **ten. 'Silver Sheen'**

15-20 ft. x 10-15 ft.

Appears to shimmer in the sun with its highly reflective foliage and graceful movement.

## **ten. 'Theodore'**

3-6 ft. x 4-5 ft.

Uniformly rounded. Bright green leaves are larger than most tenuifolium.

## **ten. 'Tom Thumb'**

2-3 ft. x 2-3 ft.

New growth is bright green. Older leaves are deep purple. Used effectively as a border.

## **tobira**

6-15 ft. x 6-15 ft.

Dense and rounded; great for a screen; tolerant of seacoast conditions.

## **tobira 'Crème de Mint'**

*P. P. # 6449*

2-2.5 ft. x 2-2.5 ft.

Low maintenance, clean and attractive shrub.

## **tobira 'Variegata'**

5-10 ft. x 5-10 ft.

Makes a great hedge; Creamy white flowers smell like orange blossoms.

## **tobira 'Wheeler's Dwarf'**

2-3 ft. x 4-5 ft.

Nice background for annual color or foreground for tall shrubs.

## **undulatum**

30-40 ft. x 30-40 ft.

Fast growing tree, makes a tall screen with selective pruning.
